

"A Family Fraternal Benefit Society"

The Artisans were founded by Civil War surgeon Dr. James Bunn in 1873. Dr. Bunn recognized the need of offering the average person a way of getting affordable life insurance while strengthening the bonds of community and friendship through fraternalism. The Artisans are not just an insurance company but a fraternal benefit society that treats you like family.

Some of the benefits are...

- Family Outings and Activities
- Preferred insurance and annuity products to help you meet your financial goals
- Great meeting and social facility
- College Scholarship Assistance Programs
- College Book Reimbursement Program
- Nursing Scholarship Assistance Program
- The Artisans have supported many different organizations and causes throughout the years. This includes many hours of volunteer work by our members and monetary donations by the organization to Shriners' Hospital, Children's Hospital of Philadelphia, JDRF, Boy Scouts of America, and various other many other charities and schools throughout the Philadelphia region and beyond.
