Term and Whole Life Policies

An Artisan term or whole life policy is an affordable and smart way of helping plan for funeral and estate expenses that can be incurred by a family when a loved one passes on.

The average funeral is over \$10,000 and most people wind up paying for this and many other estate expenses and taxes out of their pockets.

This policy is a good way of making sure that many expenses such as funeral, tax payments and other estate expenses can be taken care of by an Artisan insurance policy.
