### M. E. M. A.'S PARTY

On Tuesday evening, November 30th, we will hold a party, which will be sponsored by the Artisans Extension Committee, for Most Excellent Master Artisan Peter Amaroso in the Ballroom of the Benjamin Franklin Hotel, 9th and Chestnut Sts.

This affair is absolutely free for all Artisans and their families. Entertainment will be provided by the Strawbridge and Clothier Glee Club and an organ recital by WFIL TV's talented young organist, Larry Ferrari.

This year we have approximately 300 members who are celebrating their 50th anniversary as Artisans. They are all being cordially invited to attend this M.E.M.A. Party for special recognition. We hope that many of them are able to attend with their families and friends on that evening.

We hope to have an outstanding sports figure who is a 50 year member of the Artisans this year present to speak for all of the 50 year members.

We are sure this will be another outstanding night in Artisanship and every member of the Order and their families are urged to attend.

Remember, the date is November 30th at 8:00 P.M. in the ballroom of the Benjamin Franklin Hotel, 9th and Chestnut Sts.

Below is a picture of the featured star of the evening.

### NOVEMBER MEETING IMPORTANT TO YOU

The month of November is always an important month for every subordinate assembly and one night when every active member should be present at their meetings.

This is the night the members select and nominate candidates of their assemblies for the coming year.

You will nominate your officers for 1966 and select the representatives and alternate representatives to represent you at the annual Session of the Most Excellent Assembly—which will be held on Saturday, February 5, 1966, in the ballroom of the Benjamin Franklin Hotel, 9th and Chestnut Streets, Philadelphia.

Attend your assembly meeting in November and follow it up with the December meeting when your vote will be necessary to complete the job. This is your privilege and responsibility.

### CHANGE IN BOARD OF DIRECTORS

It was with deep regret that P.M.E.M.A. Louis A. Rehberger submitted his resignation as a member of the Board of Directors, which he served so capably and faithfully for over 25 years, because of his present physical condition.

To fill this vacancy, M.E.M.A. Peter Amaroso, President of the Board of Directors, at a meeting held on September 24th, duly appointed P.M.E.M.A. Frank Thoma to serve as the new member of the Board and this appointment was unanimously approved by the Board of Directors.

In accordance with the provisions of the By-Laws, Bro. Thoma's appointment is in effect until the next Most Excellent Assembly Session to be held on February 5, 1966, at which time he will stand for election of Bro. Rehberger's unexpired term.

William A. James  
Candidate for M.E. Inspector

Bartram Assembly No. 55 is indeed proud to announce that they will present Past Master William A. ("Bill") James as a candidate for the Office of Most Excellent Inspector, for the consideration of the Delegates at the next Session of The Most Excellent Assembly, February 5, 1966.

"Bill" James has been an active member of Bartram Assembly for over 29 years, having been introduced into Artisanry by his father, that good old stalwart Artisan "Billy" James, also a member of Bartram.

"Bill" was educated at Frankford High School and the Wharton School of The University of Pennsylvania. During World War II he served with the United States Navy "Seabees" in Panama, Central and South America and the Galapagos Islands in the Pacific. He has been associated with The Budd Company for the past 28 years and at present, occupies a position in a supervisory capacity.

Brother "Bill" James served Bartram Assembly as their Master Artisan in 1964 with much credit to himself, to Bartram and the Order. He is now serving as Deputy to Jenkintown Assembly No. 81 and is a member of the Extension Committee and the Augmented Committee of the Artisans Dining Club.

His wife Doris and his daughter Linda (Mrs. A. Jackson Phipps) are both members of Northeast Assembly No. 11 and his youngest daughter, Deborah, is a Junior member of Bartram Assembly.

## YOUR 1966 ARTISAN CALENDAR IS READY

The Advertising Committee of the Order is again presenting to all our members an attractive calendar for the coming year.

It displays the current month, the preceding and succeeding months all at one time, showing the numerals in nice clear, legible type—easy to read. You will find it a valuable asset to your home or office for ready reference. Your Recorder will have a supply of these calendars at your December meeting. It's for you—be sure you get one!

Also available will be the popular pocket calendars that fit in any pocket or wallet, and come in handy at many times. These, too, were created by your Committee especially for members of the Order.

Attend your December meeting and pick up both of these useful calendars.

## A MESSAGE FROM OUR M.E. MASTER ARTISAN

Dear Brothers and Sisters:

Here again is another issue of "The Artisan," giving me an opportunity to greet you. It doesn't seem possible that we are drawing near to the close of 1965.

Up to now, we have had a wonderful year. Our summer activities were well attended. At the Liberty Bell Race Track we entertained 30 couples and many went home with some winnings.

Another female assembly, Garden State No. 13, was instituted on September 27th, in the seashore area. All the M.E. Officers and many members of the Board were present. The ladies from Philadelphia Assembly No. 1 and Northeast Assembly No. 11 were well represented. I believe by the time you read this letter, another female assembly will have been instituted in Delaware County.

The November 30th Rally to be held at the Benjamin Franklin Hotel will climax our drive for production of Juniors in the month of November.

We are designating November as Junior production month and therefore, we will offer a bonus for the first Junior produced in the month of November. The announcement is on page 3.

Tickets for the Latin Casino will be the award for production of 2 Seniors or 4 Juniors, or any combination of 1 Senior or 2 Juniors. Time will certainly run out fast so let's continue in the right direction that has prevailed all year.

A successful swimming meet for Juniors was held on October 8th. We will entertain our Juniors at the Temple vs. Gettysburg football game on Saturday, November 13th. The Junior Artisan of the Year will again be selected and the deadline for entries will be November 30th. The Junior Christmas Party on December 11th at the Masterman School will climax the Junior activities for the year.

So I might again thank you for the wonderful job that you have done thus far and keep up your good work so that we will continue to be alive in 1965.

Fraternally yours,  
PETER AMAROSO

Walter Beddow  
Candidate for M.E. Inspector

Ocean City Assembly No. 88 announces that P.M. Walter Beddow, presently M.E. Senior Master of Ceremonies, will be a candidate for the office of Most Excellent Inspector at the Most Excellent Assembly meeting to be held on February 5, 1966.

Brother Walter has been a hard working member of the Artisans for a good many years. He has been a high producer over the years. Currently, he is President of the New Jersey Boosters Association, which for the year of 1965 boasts 17 New Jersey assemblies attaining their quotas for the year.

Brother Beddow has been a member of almost all committees within Ocean City Assembly ever since he became a member of the Artisans.

In private life, he has been in business in Ocean City for the past fifteen years, thereby, giving him the quality of being an excellent manager and leader.

## P.M.E.M.A. ELMER P. COOK ARTISAN JOURNALISM AWARD

The third annual presentation of the P.M.E.M.A. Elmer P. Cook Artisan Journalism Award will take place at the 94th Session of the M.E. Assembly on February 5, 1966, at the Benjamin Franklin Hotel.

The Memorial Plaque is presented each year to the Editor of an Assembly Bulletin, who, in the estimation of a panel of judges, has produced a paper that is outstanding for originality, composition, coverage of Order-wide activities and general improvement. No member of the "Artisan" committee is eligible for the award, and no Editor can be a winner two years consecutively.

The presentation of this award began at the M.E. Session in 1964 and Recorder Len Waller of Bartram Assembly was the winner for his very excellent Bartram Bulletin and at the 1965 Session, Bro. Edward Nichols, Recorder of Gateway Assembly was presented the award for his very unusual Assembly Bulletin.

Since the beginning of this Journalism Award our Assembly Bulletins and Notices have improved immensely and a great many of them are eligible for consideration by the special committee and the question will now be—Who will be awarded the next one?

## COLLINGSWOOD HOLDS LADIES NIGHT

Collingswood Assembly No. 50 held its Ladies Night at the Collmont on Thursday, September 30th. Fifty-one attended the affair, including four of the seven members of the Assembly who reached their 50th anniversary in 1965.

Nine members were present who had 50 or more years in Artisanry—for a total of 463 years.

The twenty-four ladies each received a very nice gift and the 50 year Brothers received their 50 year pins. Dorri Bond, daughter of Recorder Errol Q. Bond, the only youngster in attendance—a Junior Artisan—celebrated her 11th birthday; and, was presented with a birthday cake and a song.

In addition to P.M.E.M.A. William A. Schwartz, Sr., other well known personalities attending included M.E. Inspector Cal Botterill and his wife, Deputy Emeritus G. Guilford Heyn and his wife and Deputy Elmer Davis and his wife.

All No. 50's Officers were present, escorted by their lovely female companions.

Present to be honored for his 50 years in Artisanry were Brothers P.M.E.M.A. William A. Schwartz, David W. Steele, T. Bruce Austerhulh, and Clarence S. Sullivan.

## MEMBERSHIP DEPARTMENT

We are pleased that our membership drive for '65 has continued its rapid pace. With 23 assemblies reaching their Senior Quota and 21 reaching their Junior Quota we have been able to maintain a position of leadership over the same date last year. We are ahead on Senior and Junior applications and on initiations. This is a good sign. All that is necessary is for the push to continue for the balance of the year. We appreciate the work done by the following assemblies that have made their Senior Quota: Philadelphia No. 1, Keystone No. 2, Pennsylvania No. 3, West Philadelphia No. 8, Northeast No. 11, Camden No. 14, Hammonton No. 19, Conestoga No. 23, Lancaster No. 27, Germantown No. 36, Harmony No. 45, Collingswood No. 50, Northwestern No. 54, Lehigh No. 56, Passyunk No. 58, Adelphi No. 59, Ideal No. 62, William Patton No. 70, Fox Chase No. 71, Glenside No. 72, Wildwood No. 75, Merchantville No. 76, and Ocean City No. 88. Thanks to these assemblies that have made their Junior Quota: Philadelphia No. 1, Keystone No. 2, Progressive No. 4, West Philadelphia No. 8, Radiant Star No. 10, Northeast No. 11, Conestoga No. 23, Lancaster No. 27, Germantown No. 36, Eureka No. 38, Frankford No. 40, Dorian No. 41, Collingswood No. 50, Northwestern No. 54, Lehigh No. 56, Passyunk No. 58, Fox Chase No. 71, Glenside No. 72, Wildwood No. 75, Gateway No. 84, and Ocean City No. 88. Keep up your good work.

Approximately 200 persons took the producers trip to New York. Everyone had an enjoyable time visiting the big city. Most Excellent Master Artisan Peter Amaroso was a very gracious host and made sure that everyone thoroughly enjoyed themselves.

Our next activity will be on Sunday afternoon, January 16, 1966, at 3:45 P.M., when an outstanding producers dinner will be held at the Latin Casino in Cherry Hill, New Jersey. You will note that dinner time is 3:45 P.M. At the conclusion of dinner, we will be entertained with an outstanding stage show featuring the famous comedian Buddy Hackett. The show will be over by 7:00 P.M. which will allow everyone ample time to return to their homes. It is our desire that we

have a large group in attendance. Since this is on Sunday it affords the producer a wonderful opportunity to take his lady to dinner and see an outstanding stage show without interfering with other meetings or affairs. The cost is only 4 Juniors or 2 Seniors per couple.

## TWO NURSING SCHOLARSHIP AWARD WINNERS GRADUATE

In the last issue of The Artisan, we announced our Nursing Scholarship Award winners for the year 1965 and since that time, two of our young ladies have graduated.

Miss Joyce Hinegardner graduated on June 4, 1965 from the Washington Hospital Center School of Nursing, Washington, D. C. She has enrolled in the Army Nurses Corps Reserves and will be commissioned in the Army after completing her basic training. Miss Hinegardner was presented with a Nursing Scholarship by the Artisans Dining Club in 1962. She is the daughter of Horace H. Hinegardner, a member of Washington Assembly No. 51.

The second girl to graduate was Miss Mary K. Fox of Wyncote, Pa. who graduated from Fitzgerald Mercy Hospital School of Nursing, Philadelphia, on September 4, 1965. She is the daughter of George A. Fox, a member of Glenside Assembly No. 72 and she had been granted a Nursing Scholarship in 1962 by the Artisans Hospital Committee.

Applicants for future Scholarships presented by the Artisans Hospital Committee and the Artisans Dining Club to be used in a Hospital School of Nursing are advised to contact the Chairman of the Artisans Hospital Committee, P.M.E.M.A. Robert F. Barandon, 5th Street and Cheltenham Avenue, Philadelphia, Pa., 19126. The other members of the Committee are P.M.E.M.A. William A. Schwartz, Sr., Howard M. Smith, P.M.E.M.A. Edward T. Salmon, P.M.E.M.A. Gilbert N. Lundgren, P.M.E.M.A. Raymond L. Hayman and Alfred F. Degeberg.

The Committee meets during the month of May each year to make their selections and much depends on the financial position of the family, scholastic standing in High School and the approval received from the Hospital's Director of Nursing.

## SPECIAL 2 FOR 1 NOVEMBER JUNIOR BONUS

All producers will receive double credit for the *FIRST* Junior they introduce into membership during the month of November (1 Junior = 2 Juniors). This 2 for 1 offer applies to the *first Junior only*, others introduced after the first will count on the regular 1 for 1 basis.

Bonus is only for the producer and will not count towards Assembly Quota.

## ANOTHER NEW LADIES' ASSEMBLY INSTITUTED

On Monday evening, September 27th, our third ladies' assembly, Garden State Assembly No. 13, was instituted at the American Legion Hall, Mill Road, Northfield, N.J. Fifty-two ladies signified their intention to transfer either from Philadelphia Assembly No. 1 or Northeast Assembly No. 11. Those who were present at the first meeting of the assembly were initiated by the officers of Northeast Assembly No. 11.

The meeting was then turned over to P.M.E.M.A. Robert W. Godfrey, who installed the first officers of the new assembly.

Many gifts were presented to the new assembly. Philadelphia Assembly No. 1, through its first Past Master, Eleanor Greene, presented a ballot box. Doris Maust, Master Artisan of Northeast Assembly No. 11, presented a gavel and gavel block. P.M.E.M.A. Noel G. Grover presented a beautiful altar cloth from the Artisans Extension Committee. Most Excellent Inspector Calvin M. Botterill presented a beautiful vase of flowers. Most Excellent Superintendent Gordon H. Delp presented a beautiful altar Bible. M.E.M.A. Peter Amaroso gave the assembly a temporary charter and a check for \$75.00 representing the institution fee from the Board of Directors. Bro. Amaroso also presented a Deputy's commission to P.M.E.M.A. Gilbert N. Lundgren and Assistant Most Excellent Recorder J. Allen Tucker presented a Recorder's commission to Louise Rosenberger, the Recorder of the new assembly. The four South Jersey assemblies, Atlantic City, Ocean City, Wildwood and Hammonton, will present a new altar and new stations.

There were also five members of the Board of Directors present at the meeting, P.M.E.M.A.s Oscar Dahl, Samuel J. C. Greene, Henry W. Johnson, Thomas F. Patterson and Frank Thoma. P.M.E.M.A. Samuel J. Clevenger, Jr., Deputy of Philadelphia Assembly No. 1, was also present.

The meeting was climaxed with refreshments and entertainment and we extend to Garden State Assembly No. 13 our best wishes for great success in the South Jersey Area.

## GOLF TOURNAMENT

Our Annual Golf Tournament was held on Wednesday, September 29th, at the Sandy Run Country Club, Oreland, Pa. This date proved to be a very clear, cool, sunny day and 55 golfers participated in the Tournament.

Our champion for 1965 is Bro. Robert Wallace, Ocean City Assembly, who posted a score of 84. He was closely followed by Bro. Roger Baloche of Merchantville Assembly and James Kinney of Lehigh Assembly, who posted scores of 86. The best scores in the Tournament were made in the guest class. William Mobley of Langhorne Country Club shot a 73, one over par, and Joseph DiOrio of Atlantic City Country Club shot a 74.

Merchantville Assembly successfully defended its championship which they won for the first time last year with a score of 377. Their team was composed of Bros. Roger Baloche, James Noble, George Moore and Joseph Karvois. Germantown Assembly was second with a score of 425. These were the only two assemblies with complete teams. There were 19 assemblies represented in the Tournament and five other assemblies had three golfers, needing just one man for a full team. We feel sure that these assemblies will make an added effort to get a full team to compete next year.

The dub cup was won by P.M.E.M.A. Edward T. Salmon for the upteenth time.

There were 39 members and 17 guests in the Tournament. Ten kickers' prizes were awarded to the members and five to the guests.

One of the golfers travelled a long way to participate in the Tournament as the Recorder of Washington Assembly, Bro. Fred Pezzaro, drove all the way to Philadelphia to play.

An excellent dinner followed the Tournament with group singing accompanied by an accordion player.

Present were Most Excellent Master Artisan Peter Amaroso, Most Excellent Superintendent Gordon H. Delp, Most Excellent Cashier Robert W. Godfrey and several members of the Board of Directors and P.M.E.M.A.s. They were presented by the Chairman of the Committee, P.M.E.M.A. Henry W. Johnson and P.M.E.M.A. Noel G. Grover, Chairman of the Artisans Extension Committee, spoke briefly. The prizes were awarded by the Secretary of the Committee, Bro. J. Allen Tucker.

## DR. CONLEY HONORED

The Philadelphia County Medical Society gave a testimonial dinner to honor members of 50 years service in their profession. Included in the guests was our Medical Director, Dr. Harry D. Conley, who graduated from Hahnemann Medical College in 1915.

## ARTISANS AT LIBERTY BELL RACE TRACK

Our producers visit to Liberty Bell Race Track took place on Friday, September 17th. A total of 61 persons were in attendance. The 6th race was the "Artisans Order of Mutual Protection Race." Everyone enjoyed a delicious dinner, a festive evening of excitement, and in addition two persons in our group won the Daily Double which paid \$355.60. This was the first time we had a producers outing of this type, but from all indications and comments it looks as though it will have to be repeated.

## WIFE OF MOST EXCELLENT CHAPLAIN PASSES AWAY

All of us were saddened by the death of Mrs. Myrtle Moore, wife of our Most Excellent Chaplain, Rev. Leon T. Moore, on August 30th.

## ASSEMBLY NEWS

Congratulations to Walt Davis, Lehigh Assembly, a graduate of Abilene Christian College, on his appointment as Assistant Professor of Biology at the college. Brother Walt is the son of Lehigh's Recorder, Lew Davis.

Charles Palmer, Esq., a member of Norwood Assembly, recently celebrated his 102nd birthday by putting in a full day's work at his office. Brother Palmer, the oldest member of the Artisans and also the oldest practicing attorney in Pennsylvania and perhaps in the United States, goes to his law office daily. He is also the oldest living alumnus of Swarthmore College. He said he couldn't think of anything better to do—work is easier than retirement. Congratulations to this fine gentleman.

Anne Fulmer, daughter of Brother Henry Fulmer, Lancaster Assembly, is establishing an outstanding record at St. Joseph's Hospital School of Nursing. Her proud parents have been the recipients of two fine letters congratulating Anne on her effort and achievement. Anne is a recipient of an Artisans Nursing Scholarship Award and we are very proud of her work.

We received a very nice communication from Brother Ralph Edwards, St. John's Assembly thanking us for his 50 year membership pin. Brother Charles H. Jerome, Keystone Assembly, also was very proud to receive his 50 year button. Both wish to be remembered to their many friends and hope to attend an assembly meeting in the very near future.

Congratulations to Diane Dabkowski on her coming marriage. Diane is a secretary in the Artisan Main Office and is also a member of Northeast Assembly No. 11.

Most Excellent Superintendent Gordon Delp is sporting a new 1966 Volkswagen. Gordon will be putting this car to good use as he visits the various assemblies.

Ideal Assembly No. 62 was very sorry to announce the death of a charter member—Brother Jacob J. Schwegler. Brother Schwegler was initiated on May 13, 1910. Many of the original members will remember Brother Schwegler as a very active participant in all Ideal Assembly's activities.

P.M.E.M.A. Brother Louis A. Rehberger is still recuperating at his home, 122 Lawrence Avenue, Barrington, New Jersey. We wish for Brother Lou a speedy recovery and that he soon will be able to return to Artisan activities.

First Lieutenant William Tucker, son of Assistant M. E. Recorder J. Allen Tucker, is now home from the U. S. Army after completing his military service.

Palmyra Assembly No. 65 has elected Charles D. Evans as their new Inspector. Congratulations to Brother Evans and we know he will do a fine job.

The night at Liberty Bell proved very profitable for several Artisans. We hope Brother Donald Ortman, Columbia Assembly, and Brother Bill Sahn, Union Assembly, went directly home after the races!

Deputy M.E.M.A. Anthony Ferraiuolo donated a bottle of champagne at the last meeting of Adelphi Assembly. Brother John McErlain was the lucky winner. It is rumored he doesn't have it any more.

Mrs. Janet Betzner, Secretary to Membership Director John F. Stay, will be leaving the Artisans Office shortly. Janet's pleasant personality and efficient work will be greatly missed by everyone in the Artisans. We offer our congratulations upon the "blessed event" that will take place.

Brother George Dunlap has been filling in as Deputy M.E.M.A. at Wildwood Assembly for Deputy Bill Ireland who is in the hospital with a bad knee. George is doing a nice job but we are anxious to have Bill return home from his stay in the hospital.

M.E.M.A. Peter Amaroso's slogan this year is "Be Alive." Now that we are approaching the end of the year, he wants everyone to "Stay Alive" and keep on producing for the rest of the year.

Congratulations to M. E. Superintendent Gordon Delp on his appointment as Agency Manager for General Baking Company, covering Bucks and Montgomery Counties and North Jersey.

John Stay, son of Membership Director John F. Stay, is a physical education major at East Carolina College and is playing fullback on the Varsity Football team.

The sudden passing of Brother Wroughton Vickers, Collingswood Assembly, came as a shock to everyone. Brother Vickers was an outstanding producer for many years and will be greatly missed by all.

P.M.E.M.A. Henry Johnson acted as Deputy for Underdown Assembly in the place of Brother John L. Marshall. Brother Johnson performed his usual commendable job.

We are sorry to learn that Brother Joseph Simon, Progressive Assembly is in the hospital. Brother Simon is the sponsor of the worthwhile project of gathering used cards, toys, books, and wearable clothing which he distributes to less fortunates and hospitals. Best wishes to Brother Joe and a speedy recovery so that he can continue his good work.

M.E.M.A. Peter Amaroso has just been elected Business Agent of The Amalgamated Clothing Workers Union. The election was unanimous, which indicates the high regard the members of the Union have for him. Congratulations.

## NATIONAL FRATERNAL CONGRESS OF AMERICA

More than 500 delegates, representing fraternal benefit life insurance societies in the United States and Canada, attended the 79th annual convention of the National Fraternal Congress of America in Washington, D.C., September 26-29.

The delegates from our Order who participated were Ralph C. Dare, M. E. Recorder, John F. Stay, Membership Director and Clarence L. Alford, our Actuary.

Presiding over the convention as president was Mr. Frank H. Lee, General Counsel, Woman's Benefit Association, Port Huron, Mich. At the convention's close, officers for the ensuing year were elected and installed. Miss Louise Patrick, administrative vice president for the Woodmen of the World Life Insurance Society, Omaha, Nebr., assumed the presidency. Elected vice president was Harold J. Lamboley, New Haven, Conn., Supreme Advocate of the Knights of Columbus. Foster F. Farrell, Chicago, Ill., was re-elected secretary-treasurer.

The National Fraternal Congress of America was organized in 1886 in Washington, D.C., by representatives of 16 fraternal benefit societies. Today it represents 98 societies having nearly 10 million members in 63,914 local lodges.

Major purposes of the congress include the promotion of the general welfare of the fraternal benefit system in all matters of mutual concern and public interest. It was also established to disseminate information to the general public regarding the fraternal benefit system, to render service to member societies in general and to lend assistance to all fraternal benefit societies.

At the annual conventions, problems peculiar to procedures and the system in general are discussed and solutions sought. To this forum, the various officers of the societies bring their ideas for the betterment of the individual society and the system as a whole. A free interchange of ideas and methods is conducted. The meetings are held not only to benefit each society and the system, but also to give careful attention to public interest and general acceptance.

At the beginning of 1965, societies affiliated with the NFCA had nearly 15 billion dollars of fraternal insurance in force, owned by the members. Assets of the societies totaled \$3,685,464,223 and the benefits paid in 1964 alone totaled \$246,017,640. All together, these societies have paid more than nine and one-half billion dollars in benefits to their members.
