Vol. 55

SEPTEMBER, 1945

50 cents per annum

No. 9

Published monthly, except January-February when issued bi-monthly, by Kable Brothers Company, 404 N. Wesley Ave., Mount Morris, Ill., under the auspices of the Board of Directors. Entered as second-class matter June 23, 1917, at the post office at Mount Morris, Illinois, under the Act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of March 3, 1879, authorized July 10, 1912.

"Returning Service Men"

The Past Most Excellent Master Artisans Association has assumed, as their pet project, the maintenance of consistent and close relationship with all our members in the services, and, most important, with their families.

The various Assemblies have generously supported this worthwhile movement with constant mail and attention to the families and with mail literature and holiday gifts to the boys at the front. The folks at home have been very appreciative of this attention and it goes without saying that the boys at the front realize sincerely that our thoughts are always with them and is a constant answer to the question, "What are the folks back home doing for us" and "Here's hoping they keep it up."

Now that victory has been won and you are coming home, we want you to know that we have endeavored to follow you wherever you have been stationed in this rapidly changing war and we are sure that your families will tell you that we have "Kept faith" with them in your absence.

This is the true principle of our Fraternity as is so clearly indicated in our ritual of "Banded together for mutual interest."

Many problems may confront you—re-adjustment to normal life, re-employment, assumption of new responsibilities, etc., etc., and in plain words "Can I pick up where I left off or what outlook do I have on my future life?"

Here's where we are ready to help—your Artisan Assembly is waiting for you with open arms to welcome you back and assist you in your normal and fraternal activity—and the P.M.E.M.A. Association has devised a plan to help you with your livelihood or future ambitions, whatever they may be.

It is a new occupation you are interested in? Let us help you find it. Is it a desire to further your education? We believe we can be of help in that direction. That's the kind of service we are ready to perform and it is yours for the asking.

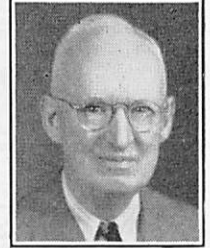

With a very sincere "Welcome Home and God Bless You" and awaiting your commands, I am

Sincerely and fraternally yours,

CHARLES H. GRAKELOW,
President P.M.E.M.A. Association.

DR. WILLIAM N. BRADLEY TO BE HONORED

Dr. William N. Bradley, Medical Examiner in Chief of the Order, will be honored by Keystone Assembly of which he is a member, on Thursday, September 13, 1945. The celebration of his 50th anniversary as an Artisan will occur at that time.

The Doctor is the person who renders the fateful decision as to whether an applicant may be taken into membership or not. On him rests the great responsibility to see that only those who are physically fit become members. On his mature judgment depends the strength of the Order. How wise that judgment has been is testified in the wonderful low mortality that the Order enjoys. True, in many cases his is no pleasant position when, in protecting the Order, he rejects those who do not measure up to the physical standard of the Order. The Order should be proud of the fact that once after careful consideration, he renders a decision, that decision stands regardless of whether he knows the recommender intimately or not. With the decisions in the hands of one who is so straight forward and faithful to the Order, the membership need not fear the future of the Order.

Dr. Bradley enjoys an enviable reputation in the medical profession and has as his close associates many outstanding, nationally known specialists in that profession.

He lives a very active and busy life for he is not only the Medical Examiner in Chief of the Order, but also conducts his personal practice.

His congenial personality has brought him many friends, not only in the Order, but in his daily walks of life. The Order is proud of him and glories in the fact that Keystone, his Assembly, will pay homage to him on September 13, 1945.

His many friends in the Order will welcome this opportunity to pay their respects to him whom they hold in high esteem.

Keystone Assembly meets in the Grand Fraternity Building, 1628 Arch Street, Philadelphia, Pa. The writer suggests that those desiring to attend, make it a point to arrive early for no doubt the Hall will be filled to capacity and rightly so. Honor will be paid where honor is due.

PHILADELPHIA BOWLING LEAGUE

The Artisans Bowling League is now making plans for next season. They have already agreed to start the schedule on Wednesday evening, September 19, and will continue for 28 weeks, omitting the night of the Charity Ball, the night after Christmas and the night of the M. E. Assembly Dinner Dance.

Last year they had 28 teams. This season they have had made available to them an additional four alleys. They have applications from several assemblies for these openings, but there may still be room for other teams. If your assembly is interested, get in touch with the Secretary, Joe Tucker, at the main office before September 5.

On that date the League will hold its final organization meeting at 8 P. M. in the main office.

CO-ORDINATION COMMITTEE ACTIVITIES

The Co-ordination Committee appointed at the Most Excellent Session has been doing wonderful work among the wounded war veterans, in uplifting their morale by presenting various entertainments at the Valley Forge General Hospital, Philadelphia Naval Hospital and Swarthmore Naval Annex.

Since January 1, 1945, there have been nineteen entertainments presented. Cigarettes, which even the wounded at the hospitals had difficulty in obtaining, were distributed at the several hospitals.

The Chairman, P.M.E.M.A. Samuel Greene, has received many communications from the Entertainment Committees of the Red Cross and the various hospitals similar to the following:

Dear Mr. Greene:

Last night at the Valley Forge General Hospital was the first time I had the pleasure of seeing one of the shows sponsored by the Artisans.

It was splendid. Every act was good and the boys enjoyed it tremendously, as your very excellent Master of Ceremonies, Doc Smith, could tell by the applause and the attention of the audience.

Will you be kind enough to thank the entire personnel of your show for giving their time to entertain the boys for an evening. I hope I will be on duty again when you come to Valley Forge General Hospital.

Thank you again for your delightful presentation.

Sincerely yours,
Mrs. J. H. Collins
Camp and Hospital Committee
Entertainment Committee
American Red Cross
Main Line Branch No. 1

The Co-ordination Committee also forwarded cigarettes at various times to all members of the Order who were prisoners of war.

There is a very active program arranged for the Fall which consists of the following entertainments:

Valley Forge General Hospital—Monday, August 27; Monday, September 24; Monday, October 22; Monday, November 26.

Naval Hospital—Saturday, August 18; Saturday, September 8; Saturday, October 13; Saturday, November 10.

Swarthmore Naval Annex—Monday, August 6; Monday, September 10; Monday, October 1; Monday, November 5.

Desiring to help the wounded veterans wherever possible the Committee made a generous donation to the England General Hospital in Atlantic City, N.J., which was used to purchase type in order that the veterans could learn to be type setters by practicing on the presses which were already provided.

GREATHEAD ARTISAN ASSOCIATION

The officers and delegates of the Association are looking forward to a prodigious Fall Campaign in line of membership-getting, in which the respective assemblies composing the Association have always had a conspicuous part, with the thought in mind of having a contingent from the Greathead Artisan Association play a prominent part in the Mystery Karavan on the week-end of January 19th-20th of the coming year, and thus avail themselves of the generous award proffered by the M.E.M.A.

Much publicity will be thrown into this efforts by inter-assembly-visitations in order to create the proper enthusiasm and promote a campaign of sociability, that should effect

the desired results in having the Association again live up to their proud achievements in production.

President Brackendorff admonishes our leader, Bill Schwartz, to arrange for a lot of Camels for the G.A.A.'ers who will aspire to be included in this Karavan.

VICTORY

VICTORY, at long last, that for which millions have prayed and worked, is here. And what an "it is" and "it isn't" phase occurred during the last hours of the war.

What an uncertain time it was. First the news would come, that the Japs had surrendered, then it would be denied, and the steady contradiction, kept up at a terrific pace until the final word.

During the turmoil, the writer was in the midst of preparing the copy for publication, and when seven o'clock arrived, and President Truman made the announcement of the surrender of the Japanese, and all conflict had ceased, there burst forth a great bedlam of noise from whistles, horns and the lusty shouts of thousands upon thousands, rushing to and fro in wild glee letting forth pent-up emotion, now that their brothers, sons, husbands or fathers would be free from the furies of a war made hell.

The people were happy and rightly so. It was in the evening, and the writer looked toward the west over Great Egg Harbor Bay, and there beheld one of the most gorgeous sunsets he has ever witnessed. Beautiful shades of golden red, streaked across the sky, intermingled with other vivid colors of the spectrum with the golden red predominating.

It was a glorious sight to behold, and reminded one of the Holy writ, wherein it says, that the red sun at night is an omen of a good day on the morrow, and the writer stood and looked his fill, wondering if that was a sign from above that now that victory was here there would follow glorious days of hard won peace.

Contentment for the peoples of the earth. People were happy, they had a right to be. Peace is here, it is ours to make as we would have it. May God grant the powers and wisdom, to those in command, to make it a lasting peace.

Our boys will be coming home, to again take up their civilian duties, where they left off. The P.M.E.M.A. Association stands ready to assist them. None need hesitate to let their wants be known for it is not charity, it is the carrying out of a sacred duty, as one brother to another.

They are all heroes, whether they were in actual combat or not. For no man can be a combatant, unless he is provided with the assistance and where-with-all, by the non-combatant. They each depend upon the other, and it matters not when or how long a man was in combat, for he went in only when he was ordered to go. They all did a good job, and were true to their trust. Heroes all, it is right that we treat them so.

EDITOR.

GOOD LUCK BROTHER HUDOME, JR.

We are in receipt of information that Bro. Joseph H. Hudome, Jr., a member of Pennsylvania Assembly, of which his father is Recorder, who was wounded twice while in action taking part in five major engagements in the Pacific, has recovered from the wounds and is now at the Quantico Training Station attending school for the purpose of becoming an officer in the U. S. Marines. Good luck to you, Bro. Joe, Jr.

In the SERVICE

Names of Artisans now in the Armed Forces in addition to those already listed, are as follows:

Keystone Assembly No. 2—Charles W. Jaquillard, Nelson Kreibel Jr. (Junior), William R. McLaughlin.
Girard Assembly No. 6—James W. Brown.
Columbia Assembly No. 20—Frank M. Spence.
Lancaster Assembly No. 27—Raymond H. Kline, Henry B. Shaub Jr., James L. Snyder, Richard L. Weidner.
St. John's Assembly No. 28—T. B. Barnes, David V. Carlone, Frederick Perkins, Francis B. Quinn.
Union Assembly No. 30—Fred Bartholf.
Dorian Assembly No. 41—James T. Schaffer.
Media Assembly No. 46—Leroy G. Cogle Jr.
Bartram Assembly No. 55—Alexander J. Gabus, William Lambert.
Lehigh Assembly No. 56—Robert C. McAlpine Jr.
Oak Lane Assembly No. 68—Ellis F. Hendricks, Walter Schoffstall, Henry R. Wiley.
Goodfellowship Assembly No. 82—Jack W. Todd, Charles F. Hertz (Junior).

INFORMATION DESIRED

At the present writing there are 3524 members of our Order in the armed forces, 34 of whom are Juniors.

There have been 72 of our members who have died; five members are still missing in action and three members are prisoners of war. The members who are prisoners of war are: John Fulginiti, Wildwood Assembly No. 75; Donald Clift, Gateway Assembly No. 84; Elmer Hanselman, Camden Assembly No. 14.

The members who are still missing in action are: George R. Henry, Dorian Assembly No. 41; Wesley L. Gerlacher, Bartram Assembly No. 55; Robert A. Gum, Lehigh Assembly No. 56; Russell H. Bauknecht, Progressive Assembly No. 4; Erwin G. Nash, Enterprise Assembly No. 16.

If any members have further information pertaining to the members listed as prisoners of war or missing in action, the Most Excellent Recorder, Ralph C. Dare at the Main Office, 1237 Market St., Philadelphia 7, Pa., would be very happy to receive it so that the records can be changed.

A KING, WHO KNOWS?

Many times the writer has heard speakers at Assembly meetings say that the membership of the Order consists of men in every walk of life. Here's one that may add something the speakers never dreamed about. Who knows but that some day a real honest-to-goodness King may make application.

Those Artisan calendars sent out by the advertising committee, the first of the year, sure covered ground. We are in receipt of a letter from Bro. Charles F. Schellenger serving in the armed forces in Caserta, Italy, where he is employed as a Message Centre Clerk in A.F.H.Q. in which he says, "I also received the Artisan calendar. It is hanging over my desk in the Royal Palace in Caserta." Knowing Bro. Schellenger to be the good Artisan that he is, we can just hear him explaining the objects and principles of the Order, like a high pressure salesman to his Royal Highness. When the King sees the calendar maybe his royal "nibs" will sign on the dotted line.

KEEP THOSE WAR BONDS

FOR THE GREATEST FUN-TIME OF YOUR LIFE

Go with Most Excellent Master Artisan Wm. A. Schwarz

MYSTERY KARAVAN

Leaving Philadelphia January 19, and returning January 26

A week-end filled with pleasure surprises galore. The Order has never offered anything like it.

Right in the midst of the humdrum wintry days, when jittery nerves and tired muscles need relaxation.

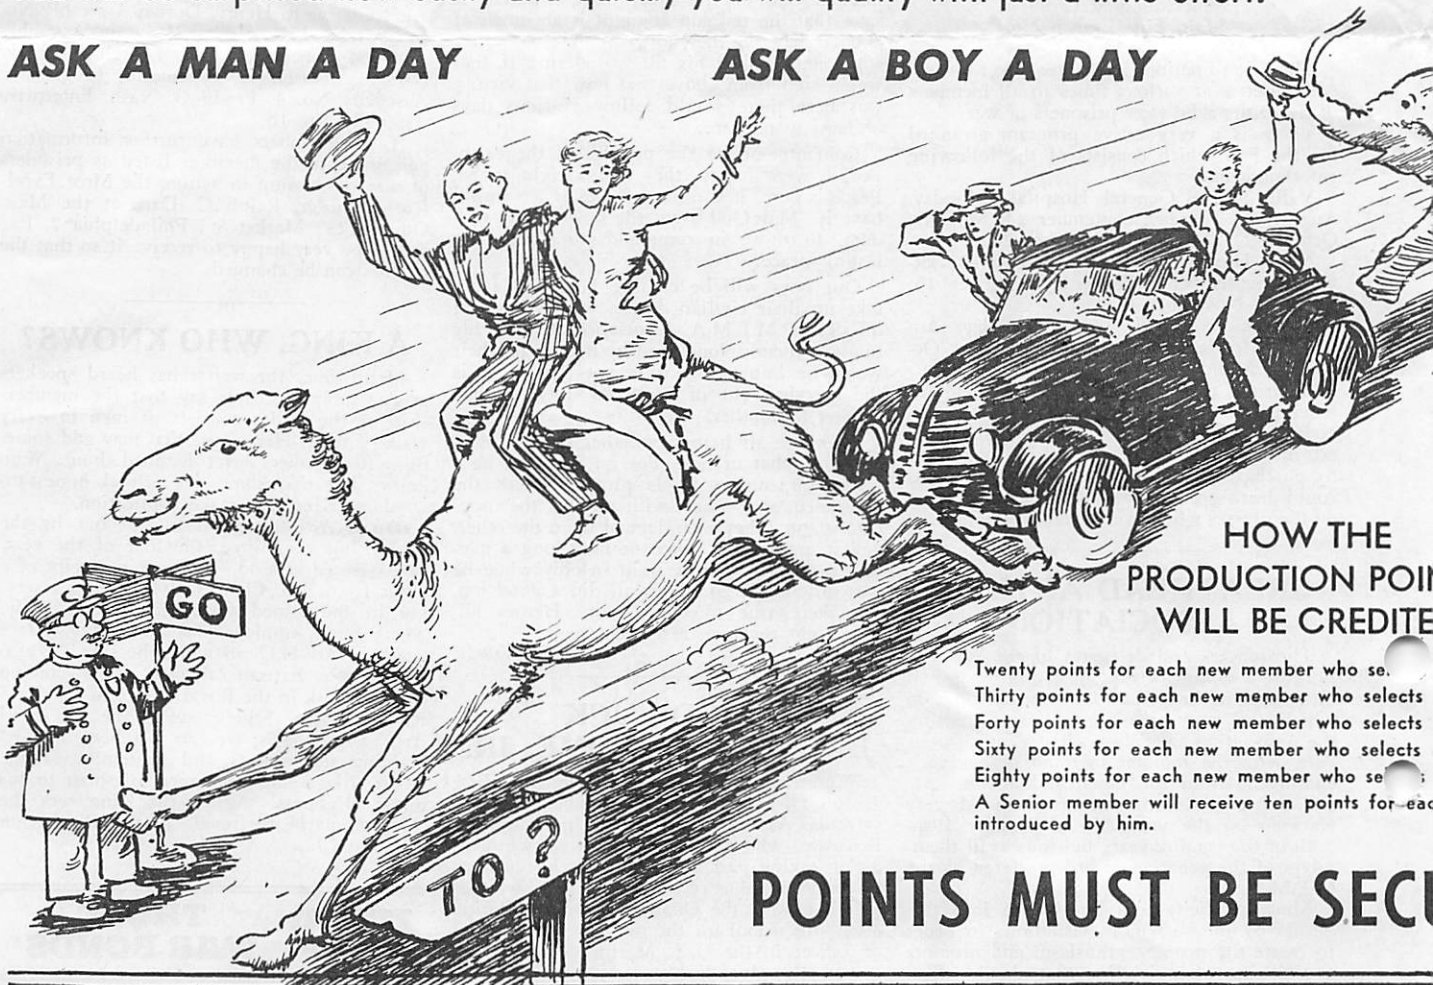

Qualify for this pleasure-packed journey by procuring 120 production points to your credit.

Now that the war is over the points are easier to acquire. Your candidates like a good time, too. Why not qualify early so they may also qualify and accompany you with a great crowd of other good fellows?

You will be surprised how easily and quickly you will qualify with just a little effort.

ASK A MAN A DAY

ASK A BOY A DAY

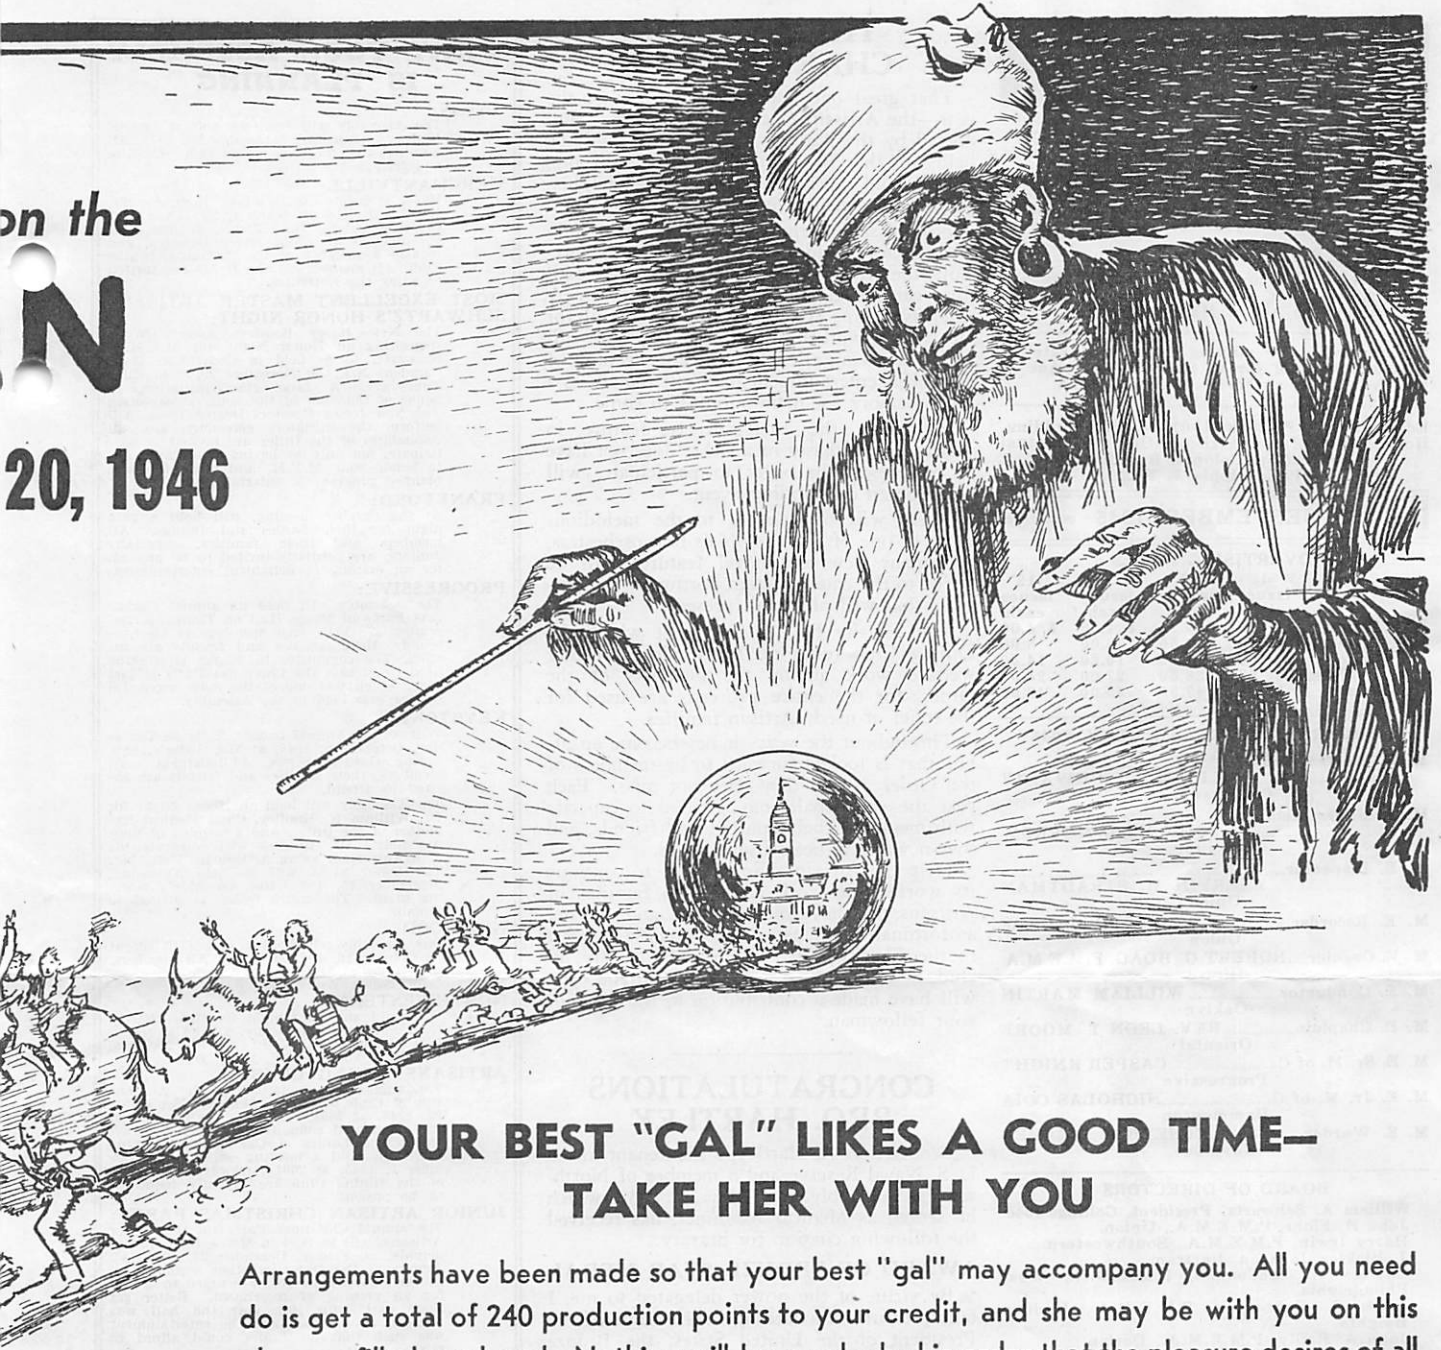

**HOW THE
PRODUCTION POINTS
WILL BE CREDITED**

Twenty points for each new member who selects
Thirty points for each new member who selects
Forty points for each new member who selects
Sixty points for each new member who selects
Eighty points for each new member who selects
A Senior member will receive ten points for each
introduced by him.

POINTS MUST BE SECURED

on the
N
 20, 1946

**YOUR BEST "GAL" LIKES A GOOD TIME—
 TAKE HER WITH YOU**

Arrangements have been made so that your best "gal" may accompany you. All you need do is get a total of 240 production points to your credit, and she may be with you on this pleasure-filled week-end. Nothing will be overlooked in order that the pleasure desires of all who make the journey will be fulfilled.

Perhaps she can assist you in getting the points to qualify. No doubt she is acquainted with prospective candidates whom it never occurred to you to approach on the subject of membership.

EXTRA POINTS ADDED

Every producer will receive 10 extra points to his credit, as a bonus, for each Senior candidate he introduces in September. There will be no extra points awarded in October, November or December.

THE ANNUAL CHARITY BALL

That great outstanding social event of the year—the Artisans Charity Ball, which is conducted by the Artisans Dining Club, will be held in the Broadwood Hotel, Ballroom, Broad and Wood Streets, Philadelphia, Wednesday evening, November 21, 1945.

Now that the armed forces have won complete victory, and peace and happiness prevails, the Dining Club plans to make the Ball this year the greatest of any yet held. Very extensive plans are underway, which call for much hard work by the Committee, but will result in giving all who attend an evening of delightful entertainment that will remain as a fond memory for many months to come.

Of course, the usual surprise feature, in which the purchaser of a ticket does not have to be present in order to participate, will again be an outstanding event.

There will be dancing to the melodious tunes of one of Philadelphia's best orchestras, and many new and novel features will be added to the entertainment portion of the program that will please all present.

The Charity Ball is the event which the Dining Club relies on for funds to further welfare work among the members of the Order, for the entire proceeds are used for the relief of needy Artisan families.

Throughout the years it has become an affair that is looked forward to by members of the Order as one they dare not miss. Each year the entire ballroom is filled to capacity with members, their families and friends, and they never have been disappointed.

Help the Artisans Dining Club to continue its worthwhile work among the families of Artisans that have met reverses, and are not as fortunate perhaps as we, purchase a ticket to the Charity Ball. It costs \$1.50, tax included, and whether or not you attend, you will have made a contribution to the good of your fellowman.

CONGRATULATIONS BRO. HARTLEY

Bro. Arthur A. Hartley, a Lieutenant in the U. S. Naval Reserve and a member of Northwestern Assembly since May 21, 1938, which he served as Medical Examiner, has received the following citation for bravery:

AWARD OF BRONZE STAR MEDAL

By virtue of the power delegated to me, I take pleasure in awarding in the name of the President of the United States, the Bronze Star Medal to:

LIUTENANT ARTHUR A. HARTLEY,
U. S. NAVAL RESERVE

CITATION

For distinguishing himself by heroic and meritorious conduct in the line of his profession as Acting Medical Officer aboard a destroyer . . . in her action against enemy forces in the Southwest Pacific Area. In spite of inadequate facilities and space, and with complete disregard for his own safety and comfort, he organized his assistants and instituted a program of skillful care and treatment that saved the lives of many seriously wounded men. Upon receiving a large group of survivors from other . . . ships, he arranged immediately for their care even though it was under the most undesirable of medical conditions. His conduct throughout has distinguished him among those performing duties of the same character.

(s) T. C. KINKAID,
Vice Admiral, U. S. Navy,
Commander Seventh Fleet.

Non-Classified Citation.

WHAT YOUR ASSEMBLY IS PLANNING

UNION:

The Assembly will hold its annual Ladies' Night on Thursday, September 20, 1945. All members of the Assembly, their families and friends are invited.

MERCHANTVILLE:

When it meets on Tuesday, November 27, 1945, will hold an honor night for P.M.A. Clarence Peters, Bro. Peters, is first Vice President of the New Jersey Boosters, and is also a member of the Artisan's Dining Club. All members of the Order are invited to enjoy the festivities.

MOST EXCELLENT MASTER ARTISAN SCHWARTZ'S HONOR NIGHT:

The New Jersey Boosters Association is sponsoring an Honor Night for M.E.M.A. Schwartz, to be held in Convention Hall, Camden, N.J., on November 29, 1945 (fifth Thursday). A large class initiation, in honor of the man of the hour, is expected. The New Jersey Boosters Degree Team, will perform the initiatory ceremony, and all Assemblies of the Order are invited to participate, not only by having candidates, but to honor your M.E.M. and enjoy the well planned program of entertainment.

FRANKFORD:

At the October meeting, will hold a gala night for their Ladies and Juniors. All members and their families, especially Juniors, are cordially invited to be present, for an evening of delightful entertainment.

PROGRESSIVE:

The Assembly will hold its annual Christmas Party in Moose Hall on Thursday, December 27, 1945. All members of the Assembly, their families and friends are invited. The committee in charge is working hard to surpass the Christmas Party of last year, which was one of the most successful parties ever held by the Assembly.

KEYSTONE:

Will hold its annual Ladies' Night on Thursday, October 18, 1945, at McCallister's, 1811 Spring Garden Street, Philadelphia. All members, their families and friends are invited to attend.

The Assembly will hold an Honor Night for Dr. William N. Bradley, Chief Medical Examiner of the Order, and a member of their Assembly. Dr. Bradley will celebrate his 50th Anniversary as an Artisan in September. The honor night will be held Thursday, September 13, 1945, the Assembly's meeting night. The entire Order is invited to attend.

NORWOOD:

The Assembly will hold a Ladies' Night at its October 16, 1945, meeting. All members, their families and friends are invited to an evening of pleasure.

NORTHWESTERN:

Will hold an honor night for their retiring Recorder, Bro. Bob Denny, at McCallister's, 1811 Spring Garden Street, Philadelphia. The date, November 27, 1945. Details later.

ARTISANS DINING CLUB:

The augmented committee of the Artisans Dining Club will meet Monday, September 10, 1945, at 2601 Parkway. All members of the augmented committee are urged to attend. The Ladies of the Artisans Dining Club will hold a meeting on Monday, October 1, 1945, at 2601 Parkway. All ladies of the Dining Club are urgently requested to be present.

JUNIOR ARTISAN CHRISTMAS PARTY:

The annual Christmas Party for the Junior Artisans, will be held in Moose Hall, Philadelphia, on Friday, December 28, 1945. All Juniors of the Order, whether accompanied by their parents or not, are urged to attend for an evening of merriment. Better get there early, for last year the hall was crowded to capacity, and the entertainment was such that no Junior could afford to miss.

ARTISAN AIDES:

The annual banquet will be held at McCallister's, 1811 Spring Garden Street, Philadelphia, on January 12, 1946. Details later.

M. E. SESSION AND DINNER DANCE:

The Most Excellent Session will be held on January 23, 1946 at the Benjamin Franklin Hotel, Philadelphia, beginning promptly at 10 a.m. The dinner dance as usual, will be held in the evening under the auspices of the Artisans Extension Committee which is now planning a program that will keep pace with the affair of last year which was one of the best ever held by the Order. All members, their families and friends, are urged to procure their tickets well in advance of the date of the session.

HADDON:

The New Jersey Boosters Association, with their Degree Team, will visit Haddon Assembly on September 17, 1945. All members of the Order are invited to accompany the visitation.

WILDWOOD:

On October 19, 1945, the New Jersey Boosters and their Degree Team, will visit Wildwood Assembly, to enjoy the well planned program that has been arranged by the Assembly. All members of the Order are invited to be present.

ANNUAL CHARITY BALL:

The Artisans Annual Charity Ball, sponsored by the Artisans Dining Club, will be held Wednesday evening, November 21, 1945, Broadwood Hotel Ballroom. Tickets, \$1.50, tax included. Usual surprise features. Bigger and better than ever.

BE A PART OF THE ACTIVITIES

The summer months are gone and those long-looked-for vacations are past.

We are now ready with all that newly acquired "pep" and "go" to return to the Assembly meetings, that start in September, and conduct or take part in the activities with a freer mind which will make better Assemblies throughout the entire Order. Now, that Victory has come we can approach our friends on the subject of membership in a more acceptable manner and no doubt there will be a great surge upward in the production records.

Be a part of it.

THE PICNIC

The annual picnic held at Belmont on July 14 was one of the most successful ever held by the Order.

Each year the event is sponsored by the Extension Committee, the members of which spend the entire day on the grounds and look after the welfare of those present, making sure that all enjoy themselves to the limit. Great credit is due the hard working committeemen, for the picnic was truly a wonderful affair. Over 2,600 people registered, and this by no means represents all that were present. More than 400 quarts of yum yum were distributed among the kiddies. All the various athletic and novelty events were conducted in proper manner by members of the committee, assuring all participants and on-lookers a marvelous time.

The two main events of the day were the running of the Junior Artisan Relay Championship for the Charles N. Christman Memorial Trophy, which was donated by Dorian Assembly, and the running of the special race for Juniors from 12 to 15 years of age for the Herman Meyer Memorial Trophy, donated by Northwestern Assembly. The former was won for the third consecutive year by the Junior Relay Team of Northwestern Assembly, consisting of the following Juniors: Alfred W. Rohrer, Francis L. McIntyre, William Weigle and Robert A. Hanson. The latter event was won by the Junior Relay Team from Oaklyn Assembly, consisting of Russell Kenney, Robert Kenney, Joseph Caspa and James Montelpare.

As usual, Old Jupe Pluvius had to attend, and by the time the last act of the evening was in full swing, he brought forth his watering-can and treated the gathering to a shower, ending one of the best picnics ever held by the Order.

GOOD LUCK, NOEL

As we were going to press we received information that P.M.E.M.A. Noel G. Grover met with a very serious accident and is in Mercy Hospital, Philadelphia.

During his vacation, he decided to do a little painting about the home and in making preparation was in the act of burning old paint from a paint can, when the flaming can exploded and sprayed burning paint over his legs and arms causing third degree burns. He was immediately rushed to the Mercy Hospital in West Philadelphia where he is undergoing treatment.

At this writing no one is permitted to visit with him, but with the remarkable progress he is making, no doubt visitors will be admitted shortly.

Keep up that old fighting spirit for which you are known and admired, Noel, and the day will not be far distant when you will return to perfect health.

The best wishes of your many friends in the Order are with you for an early recovery.

Good luck, Noel.

WILLIS GREENE GRADUATES

Friends of Bro. Willis S. Greene, the young fellow with that cheerful smile and that bubbling congenial personality who greeted many members when they visited the main office, before the war, will be glad to learn that Bro. Greene has completed the course at the Pennsylvania Maritime Academy and was graduated on Friday, August 10, 1945, at the exercises held at Morrisville, Pa.

He expects to be an Ensign in the U. S. Navy, and will no doubt receive his orders in the very near future. The best wishes of the main office and the Order at large go with you, Bro. Willis.

WELCOME HOME GEORGE

We see by the papers that Bro. George Pawling, a member of Union Assembly, has returned to Philadelphia.

Bro. Pawling is remembered by many in the Order for his great activity and progressive energetic spirit while serving as Most Excellent Inspector of the Order, a position he was forced to relinquish on account of his tremendous business interests.

He is a former President of the Middle Atlantic A.A.U., a Penn Relay official since its inception, and the man who built the Arena in West Philadelphia. For the past eight years he has been in the engineering business in Burlington, Iowa.

The Order, in which you made many friends, welcomes you home, George, and looks forward to seeing you with your dynamic personality in action at the Assembly meetings.

TOURIST GET-TOGETHER

On account of government restrictions, the tourist get-together will not be held this Fall. The Committee feels certain that if war conditions clear up within a short time it will be possible for them to conduct a trip next year.

Member St. Johns Assembly No. 28

UP-STATE BOWLING LEAGUE

The so-called up-state Assemblies are forming a Bowling League which will get started early in September. All members residing in the vicinity of Lancaster, York, Columbia, or Harrisburg, who desire to bowl in the League are requested to contact Bro. A. Lewis Witmar, 646 Park Ave., Lancaster, Pa., phone, 2-4597; or Bro. Gerald W. Hambleton, phone, 5689.

As the League will get under way as early as possible in September, it is imperative that those desiring to participate in the bowling let their desire be known as soon as possible.

NEW JERSEY BOOSTERS

The New Jersey Boosters Association will hold a meeting on September 7, 1945, at which time extensive plans will be created for the Fall activities. On September 17, 1945, they will visit Haddon Assembly and on October 19, 1945, Wildwood Assembly. It is the desire of the Association that all member Assemblies have large delegations present.

The Association is forming a Bowling League that will start in September. All Assemblies that desire to be represented in the League should contact the President, Ty Yonkers.

TO THE JUNIORS

Here is an easy way for a Junior Artisan to add to his bank roll and lay away a "nest egg" for the future.

A Junior Artisan will receive from our Most Excellent Master Artisan, 50c worth of War Stamps for the first new Junior member he introduces, for the second new Junior member introduced the Junior recommender will have his choice of receiving as a gift, a Junior Artisan mechanical pencil or a "T" shirt.

By the way, those "T" or Polo shirts, as some term them, are "honies." They have the Junior Artisan emblem on the front and look swell. Every boy should have at least one to wear during the summer months.

Be the outstanding boy of your group of play fellows. Wear one of those "T" shirts and you'll be the "King of the Crowd."

Did you sign the certificate when you received it?

KEEPING WELL THIS WINTER

By Dr. Wm. N. Bradley
Medical Director

A recent article in this column called attention to measures which are being employed to protect the health and lives of "Our Boys" who are in the Service.

As we approach the fall and winter months, we are concerned with the importance of exercising greater care in maintaining good health at home, and this applies to children as well as adults.

I shall attempt to point out a few rules which may help to accomplish this end.

As to children, we are all familiar with the enthusiasm to which children of all ages give vent when out of doors, and are likely to forget to take proper precautions for health or safety.

Becoming overheated they are apt to remove outer clothing and failing to notice changes in weather conditions become chilled or wet from sudden wind, snow or rain, and as a result develop colds, tonsillitis or even pneumonia. Parents and caretakers should keep these things in mind and help to protect them. While medical science has advanced greatly, it has not yet developed measures to prevent colds or infections which are so prevalent in Fall, Winter and Spring. As the days become shorter, the protective rays of the sun, so necessary for health, become less efficient; cloudy and stormy days as well, lessen the much needed sun's rays and also more time is spent indoors,—all of which lessens vitality, and individuals become an easier victim to disease germs. It has been pointed out previously that disease germs lurk in the nose and throat of all individuals and in the presence of lowered vitality, become active. Our best hope in the avoidance of colds and similar infections lies in the protection which can be afforded by rules of Hygiene and constant care in all phases of living.

Of chief importance—children before entering school should be protected against small-pox by vaccination and against diphtheria by immunization. To this rule should be added, proper and sufficient rest, food, moderate exercise and being clothed to conform to weather conditions.

Clothing should be changed if damp, and feet should be kept dry. Close contact should be avoided with anyone suffering from a cold or other infection. Should an infection occur, a physician should be consulted at once.

As to adults—

Most of what I have already said can be applied to adults. Today when both men and women are employed and are expending all the energy of which they are capable, it is more important than ever to become Health conscious.

As much rest as possible should be secured, sufficient food properly cooked, the avoidance of over activity, unnecessary exposure to the winter elements, sufficient clothing, bathing, etc., should be kept constantly in mind.

It is difficult in these days of insufficient heating to conform to "Rules for Health" which include proper ventilation. However, sleep in a properly ventilated room, will be more restful and one awakens with renewed vigor and spirit to attack the duties of another day.

Vitamins should be taken only upon the advice of a physician.

Whatever recreation is taken should not be permitted to interfere with sufficient rest and only under circumstances and conditions which will not disturb the maintenance of health.
