December 1, 2021

The membership of the Artisans Order of Mutual Protection would like to extend a warm welcome to the members of the Polish Beneficial Association upon their merger with our society. The PBA office, that is located at 2595 Orthodox street in Bridesburg, will remain open with normal hours while we work to combine our computer systems and office staff. The Artisans have many family activities and events scheduled for this upcoming year. All activities will be advertised on the PBA website, the Artisans website that is located at [artisansaomp.org](http://artisansaomp.org) and the Artisans Facebook page. The Artisans also have many Assemblies and groups such as an American Legion Post, a senior citizens meeting group, and a Boy Scout troop and pack that you or members of you family may be interested in joining.

Please give the PBA or the Artisans office a call if you have any questions.

Fraternally,

  
Bryan Werner CEO
