VOICE OF THE GAVEL

Hello Brother and Sister Artisans;

Here we are seven months into the pandemic and it still looks like we may have to tolerate the restrictions placed on us for another few months. The Board of the Artisans decided to cancel all meetings and activities for the rest of the year in order to comply with our local and state health mandates. This was a tough decision but it was made with the thought that the health and safety of our membership is of the highest priority to our directors and officers I know I can not wait to get back to enjoying all our great activities and seeing my Brother and Sister Artisans on a regular basis but also understand that I have to have patience with the situation we all find ourselves in. Hang tight there is light at the end of the tunnel and we are already planning a full range of activities for 2021.

Fraternally,

Barry Spindler

Most Excellent Master Artisan

SUBMIT YOUR ARTICLES AND PHOTOGRAPHS TO THE ARTISAN

Do you have an event planned, some news to report, or any other interesting bit of information that the membership might find interesting? Submit your articles and photographs to *The Artisan*!

All articles for publication in *The Artisan* must be submitted in Microsoft Word or Word Perfect electronic format.

All articles may be edited. Articles should briefly explain the "Who, What, When and Where."

Write your articles for the general membership who may not be familiar with your assembly, association or members. Readers will be most interested in major events, unusual events, ideas or other interesting information.

Material being sent for consideration for *THE ARTISAN* should be packaged (to protect photographs) and mailed to: Artisans Order of Mutual Protection, 8100 Roosevelt Blvd., Philadelphia, PA 19152, attention: *THE ARTISAN*. The copy deadlines are December 15 for the Winter Issue, March 15 for the Spring Issue, June 15 for the Summer Issue and September 15 for the Fall Issue. The Artisans cannot assume any liability for the safe receipt of any materials submitted.

Even with the Hall shut down for activities and meetings there is still a lot of good old fashioned fraternalism in the air. Many of our members have been calling each other and checking up on their Brother and Sister Artisans. The pandemic has not dampened the spirit of Artisanship and everyone is looking forward to the day that we will be able to resume having our meetings and great family activities. The office is open for business and we just ask that you call for ahead for an appointment and wear a mask when you visit. There has been many upgrades to our facilities over the past few months and many long standing projects have been completed. We can't wait to see you at our first post covid meeting next year.

M.E. SUPERINTENDENT LETTER

I can not believe that I have to report there will be no Junior activities for the rest of this year. It was strange driving past the ball fields and playgrounds on my way to work this past spring and not seeing any children at play. I am sure that all of us will be glad when the children can get back to school and play outside unrestricted by this virus. Please remember in your prayers all the essential workers who continued to go to work during the pandemic and how they helped keep a sense of normalcy for the rest of us during this pandemic.

Fraternally yours,

Carla Werner - M.E.I.

**PER MONTH

The Artisans are offering \$10,000.00
worth of life insurance protection for children from birth to age 24
This is an offer for Juvenile Term Insurance which is guaranteed renewable to age 25
provided the premiums are paid.

**Good reasons why your children or grandchildren
should have this coverage with the Artisans**

- IT IS AFFORDABLE. For the first year, the annual cost is only \$12.00 for \$10,000.00 of life insurance protection. Every year thereafter it is only \$24.00 per year. That is only \$2.00 per month for your peace of mind. If you prefer more coverage, we offer \$25,000.00 of life insurance protection for \$27.50 for the first year and each year after, it is only \$55.00 annually.
- The FACE VALUE REMAINS LEVEL throughout the term of the policy, as long as it is paid for. Term Life Insurance does not accumulate any cash value.
- NO MEDICAL EXAMS are required with a good medical history. We underwrite our own insurance so there are no secondary parties to deal with.
- Between the ages of 18 and 25, it can be converted to permanent insurance for DOUBLE THE FACE AMOUNT, REGARDLESS OF HEALTH.
- As long as your child has been a member of the Artisans for at least two years, they become eligible to apply for College Scholarships, Continuing Education Scholarships, Nursing Scholarships as well as a College Book Reimbursement program for each year they are in college.
- Some of the other benefits include a host of activities at reduced prices for members.
