## Our Up-coming Events

## VOICE OF THE GAVEL

Hello Brother and Sister Artisans;

As many of you know one of my main goals is to help build up our membership and sell more policies to get new members. The Artisans will be offering life insurance classes to help some of our members gain their insurance licenses. Our best sales people are our members own members. If you want to earn some extra money and help out your Assembly contact Bryan at the office and he will give you all the details on how you can apply to become an Artisan insurance agent.

I want to remind everyone that production is very important for our growth and to remember to tell your friends about our great insurance products and annuity rate.

Our new website is constantly changing and there are many videos and pictures online that are always being up-dated. If you are not receiving the e-mail blast please call Bryan at the office so he can add you to our e-mail list.

Fraternally,

Patrick Ennis

Most Excellent Master Artisan

**in Microsoft Word or Word Perfect electronic format.**

All articles may be edited. Articles should briefly explain the "Who, What, When and Where."

Write your articles for the general membership who may not be familiar with your assembly, association or members. Readers will be most interested in major events, unusual events, ideas or other interesting information.

The copy deadlines are December 1 for the Winter Issue, March 1 for the Spring Issue, June 1 for the Summer Issue and September 1 for the Fall Issue. The Artisans cannot assume any liability for the safe receipt of any materials submitted.**

## The Artisans new game room

After our bi-annual information meeting was over the delegates were given a tour of the new game room. This newly added room will be available for use by our Assemblies and for our members to rent. It has two large screen televisions, arcade games, a bar and small cooking area. The room is nicely decorated and a great spot to have a family function or birthday party.

Lots of fun was had by everyone who visited the new Artisan game room. All the space in our mall is now 100% occupied and renovated.

The new game room is a great place to hang out and strengthen the bonds of fraternalism.

# Term and Whole Life Policies

For Those Who Are 50 Plus

An Artisan term or whole life policy is an affordable and smart way of helping plan for funeral and estate expenses that can be incurred by a family when a loved one passes on.

The average funeral is over \$10,000 and most people wind up paying for this and many other estate expenses and taxes out of their pockets.

This policy is a good way of making sure that many expenses such as funeral, tax payments and other estate expenses can be taken care of by an Artisan insurance policy.
